Happy Friday Stober Families,

I hope that everyone enjoys a nice weekend! I want to thank everyone for their tremendous support, as always.

As Covid cases rise across the state and county, I want to remind everyone that if your child is experiencing a cough, sore throat, or runny nose, please keep them home. On Monday, as Jefferson County transitions into Level Orange:High Risk, I am truly asking everyone to remain vigilant. If your child does not feel well, we ask that you please keep them home from school. I know this is a difficult time, and we all must do our best to support each other as a community and keep each other safe.
