

December 18th, 2020

Happy Friday Stober Families,

I want to begin by wishing all of you a truly wonderful holiday season! It is hard to believe that we are already at our mid-point in the school year, and while this year has presented many challenges, I continue to be so proud of our incredible students and the perseverance they continue to demonstrate. Thank you to all of our families for the many hats that you have worn, and especially for your tremendous support of your child's learning experience. I am hopeful that 2021 will provide us all with some much needed good news and continued hope!

As you know, the district has extended our remote learning after Winter Break. Elementary students who were previously enrolled as in-person learners, as well as those that had planned to return to in-person learning for the 2nd trimester, will begin in-person learning on Tuesday, January 19th. All of our remote classrooms (Trinder, Barker, Fairchild, Brook) will continue in the remote setting. Please know, as district communications stated, that these decisions always have the potential to change given current health conditions in the county and state. Please be sure to read the district communications here:

Preschool	Grades K-5	Grades 6-12
Students with significant disabilities some Career & Technical Education programs	JAN 6 Remote Learning	JAN 6 Remote Learning
JAN 6 Continue In-Person Learning	JAN 19 In-Person Learning unless CDPHE Dial is Level Purple	FEB 1 Hybrid Learning considered
100% Remote Learning option will continue through the school year		

### **Giving Tree**

Thank you to everyone who supported this year's Giving Tree! It was a huge success and we were able to support 20 Stober families with gifts. Thank you to all of our amazing community for coming together to support our families and helping to make their holidays a little brighter. Lastly, Thank you to Liz Mason for her kind and thoughtful organization of the Giving Tree. We are so grateful to you for your continued effort on this incredible project.

### **EnrollJeffco**

If you have not already done so, please make sure to log into EnrollJeffco and submit your intent to return notice. To help prepare us for the 21/22 school year, we do ask that all families complete this piece. To ensure the district has accurate information, please log into Jeffco Connect prior to submitting your intent to return in EnrollJeffco. EnrollJeffco and the Round One Enrollment Window are now open through January 15, 2021. If you have any questions or need any assistance, please call the office or email Kandi at [kandi.hallcarrillo@jeffco.k12.co.us](mailto:kandi.hallcarrillo@jeffco.k12.co.us).

**Wheat Ridge Social-Emotional Supports**

We know that the holidays can tend to be stressful times for many, and especially this year, in the midst of a pandemic. Here are some Wheat Social-Emotional Resources put together by our area Social Emotional Learning Specialists that may be helpful for students and families during Winter Break.

<https://docs.google.com/document/d/1Vs2YxlrsHAOnic6fNwvk9ryQXu8XDHpAE3Va6BNFouk/edit?usp=sharing>

I truly hope everyone enjoys time with their families and continues to remain healthy. We will look forward to welcoming all students back to Remote Learning on Wednesday, January 6th, 2021.

Anne
