**Curriculum Night**

Please join us next Thursday for our Curriculum Night. This will be an opportunity to meet with your child's teacher and hear about the curriculum for the year. Teachers will also be sharing details about the classroom experience, systems, and expectations. We will be holding two identical sessions, so that families with more than one child can visit multiple classrooms.

6:20-7:00

**Wheat Ridge Farmers 5000**

The Farmers 5000 is a fundraiser for Wheat Ridge High School. It is also one of the longest running community races in the Denver area. It's a great chance to get students and families out together, moving, having fun, and representing Stober!

### **Save the Date--Renovation Celebration September 28th, 5:30-7:00**

We are so grateful to our community for supporting the Bond that financed our renovation. Since we have not had the opportunity to "show off" all of the changes yet, we want to invite families and community members to tour the school. PTA will be providing appetizers and non-alcoholic beverages. Live Music and building tours will also be a part of the evening!

### **Community Garden Updates**

Please join us this Saturday, September 11th for a Community Planting Day from 10-12.

Join our community out at the garden to help plant some perennials or to just take a look at the garden progress!

Donations for the Garden-Our donation website is back up and running! Personalized bricks are available with a donation of \$250 or more.

**Important Health Reminder**

This is a reminder to all families to please utilize the symptom screener linked here if you are unsure whether or not to send your child to school. Any students showing symptoms will be sent home. This is the current district policy, as we are working hard to keep everyone healthy. If you take your child for a Covid test, they must stay home until you have received a negative test result.
