Happy Friday Stober Families,

I want to thank everyone who attended our Curriculum Night on Thursday! We appreciate you joining us and hopefully it provided key information about the school-year! I am also grateful to all of you who participated in our Shop to Donate at O'Toole's. Thank you to Alice Shelley for coordinating the fundraiser!

**Coming Up:**

- September 22-Dine to Donate @ Chipotle 5-9pm
- September 23-Fall Individual Pictures
- September 28-Renovation Celebration 5:30-7:00pm
- October 1-October Count Day
- October 7-No School-Teacher Professional Learning Day
- October 8-No School-Fall Break
- October 13-PIE & PTA Meetings 6-8pm
- October 14-Dine to Donate @ Freddy's 4-8pm

**2020-2021 CMAS Scores**

Today in Friday Folders are students' 2020-2021 CMAS score reports. Only current 4th and 5th graders who took the assessment last Spring here at Stober will receive the score reports. Attached to the scores is a document from the Colorado Department of Education to help interpret your child's CMAS scores, however, please feel free to reach out to Ms. DiCola or your child's teacher for any support with the score report.

**After-School Enrichments**

Great news, our After-School Enrichment clubs are back! Our first session will begin the week of October 11th, and end the week of November 19th. Information can be found on the Stober website under Clubs and Programs and After-School Enrichments, we have provided the link below. In addition a flier was sent home in Friday Folders. Please note some important changes to the registration process.

1. We have moved to an online scholarship application and registration process for all clubs.
2. Due to limited space in our teacher-run clubs, (Robotics & Coding and Disc Golf) we will be utilizing a lottery process rather than the first come first serve process we have used in the past.
3. Payment for Robotics & Coding and Disc Golf will be collected after notification of selection.

To register and for more information, please click the link below, or you may scan the QR code located on the flier sent home in Friday Folders.

Please note that students who are absent on the 23rd will have their picture taken on our retake day, November 3rd.

If you are available and would like to volunteer to help, please contact Kandi in the office.

**Save the Date--Renovation Celebration September 28th, 5:30-7:00**

We are so grateful to our community for supporting the Bond that financed our renovation. Since we have not had the opportunity to “show off” all of the changes yet, we want to invite families and community members to tour the school. PTA will be providing appetizers and non-alcoholic beverages. Live Music and building tours will also be a part of the evening!

**Community Garden Updates**

We had a great day working in the garden on Friday! Our 5th graders supported the efforts by planting their Hopes & Dreams in the Garden!

Donations for the Garden-Our donation website is back up and running! Personalized bricks are available with a donation of \$250 or more.

**Important Health Reminder**

This is a reminder to all families to please utilize the symptom screener linked here if you are unsure whether or not to send your child to school. Any students showing symptoms will be sent home. This is the current district policy, as we are working hard to keep everyone healthy. If you take your child for a Covid test, they must stay home until you have received a negative test result.
