Happy Friday Stober Families,

I want to wish everyone a very Happy Thanksgiving! I hope that you all have the chance to spend time with family and friends. Especially with our current reality and our collective experience over the past year and a half, I truly hope that this week is rejuvenating and “bucket-filling”. I am excited to spend some quality time with my family this week, cooking, eating, laughing, and enjoying each other’s company. Happy Thanksgiving! We will look forward to seeing everyone on Monday, November 29th!
