Happy Friday Stober Families,

I want to begin by thanking Meier Skis and our PTA for hosting an incredible fundraiser this week! I am so grateful to Meier Skis for hosting such a fun and unique event. Thank you to everyone who came out on the snowy night to support our school. Additionally, I know that several people were not able to attend, and I also appreciate all of the online donations that were made to support us in purchasing new books for our primary book bags and intermediate book sets! Thank you!!!

I also wanted to make sure that everyone has read the district's message regarding the lifting of Jeffco's Mask mandate beginning on February 18th. Please know that students, staff, and visitors who would still like to wear a mask are fine to do so. This is a district-level decision, please know I will do my best to answer any questions that you have.
