Happy Friday Stober Families,

I want to begin by thanking all of you who have reached out regarding the closure/consolidation plans in Wheat Ridge. I promise that as the year progresses, I will communicate all of the details around the potential transition. I appreciate the support that many of you are providing to our friends and neighbors as they process the district recommendation and possible changes for their community. Many of you have asked how you can support, and I will share details as we move forward. We have decided to postpone our Information Night for NCA @ Vivian families to October 17th. I will be in touch with those of you who offered to attend as we get closer.

### **Farmers 5000**

**Sunday September 19<sup>th</sup> 9:00am @WRHS**

The Farmers 5000 is a fundraiser for Wheat Ridge High School. It is also one of the longest running community 5k races in the Denver area. It's a great chance to get our students and families out together, moving, having fun, and representing Stober.

Once again, WRHS is inviting all area elementary schools to participate in our Farmers 5000 Elementary School Challenge. The School with the highest percentage participation wins a snazzy trophy AND \$500 for the First Place school, \$250 for the Second Place school, and Books for Third Place.

Elementary School Challenge Participants pay only \$10 for registration which includes a youth large t-shirt online registration at [farmers5000.org](http://farmers5000.org) Please note: there will be a \$1.60 charge added to the \$10 fee for the online registration. Paper Registration Forms were sent home today in Friday Folders. Please return the paper registrations to the Stober office.

### **District Calendar Update**

As you have learned, as a result of the negotiations between the district and our teachers' association last month, there will be **additional non-student contact days during the current 2022-23 school year for elementary and K-8 schools** as well as **2-hour delays for all schools** to provide additional teacher professional time.

**Non-student Contact Days: December 19th, December 20th, and March 17th**

**2-hour Delays: October 27th, February 2nd, and May 4th**

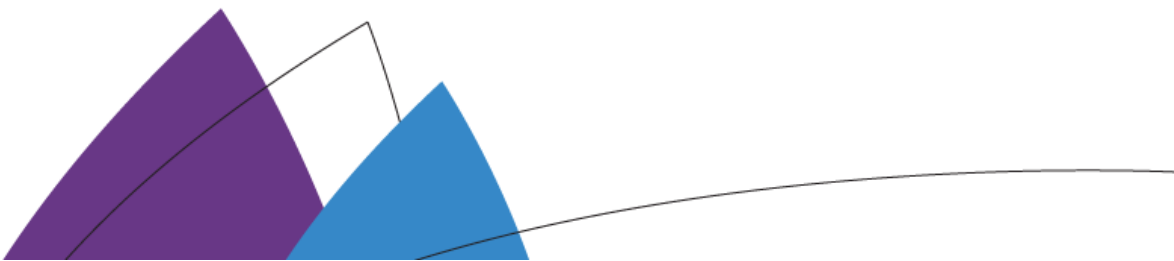

Please be sure to review these changes on our [District Family Calendar](#) as well as our [Stober Master Calendar](#).
