Happy Friday Stober Families,

I want to thank everyone who joined us at O'Tooles on Tuesday for our Shop to Donate! Thank you to Alice Shelly for coordinating the event! I want to remind everyone that Monday is our Official October Count Day. Please make every effort to have your students at school on Monday! Thanks for your support!

This week our 5th graders visited King Soopers as the culmination to their decimals unit. The excursion provided them the opportunity to apply their learning around adding and subtracting decimals as well as estimation into a real life application as they planned a luncheon for the class.

Official October Count Day

It's official – October Count Day this year is Monday, October 3. The most important action you can take to support school funding is to make sure your student attends school on that day. Much of public education funding from the State of Colorado is based on student count, so we encourage you to be sure your student engages in school that day.

The “count window” the state observes is from Monday, September 26 through Monday, October 10, but the most important student count day is Monday, October 3. Please help us ensure an accurate count by having your student participate in learning that day.

If your student will be absent on Monday, October 3 due to illness, call our attendance line, 303-982-7604 to report the absence. Attendance during the “count window” will help counteract an absence on Monday, October 3.

After School Enrichments

Our PTA sponsored After School Enrichments are back! Registration flyers and packets came home today in Friday Folders! After school clubs will begin the week of October 24th. Registration closes October 12th and will be honored on a first come first served basis. Please return your registration as soon as possible!

Stober Stampede

Thank you all so much for your support with the Stober Stampede! If you haven’t done so already, don’t forget to register your student for a fundraising page in MemberHub & keep those donations coming!

Now that your students (& you!) have put in the hard work of fundraising, we’d love your help to make the actual event a fun celebration for all! We are looking for volunteers to help hand out lap-completion bracelets and keep the music, misters, and bubble machines flowing during the day on Wednesday, October 5th. Check out our SignUpGenius below to see a schedule of runners & sign up for a spot if you are able. Or just stop by to cheer on the kids!
