Happy Friday Stober Families,

We have had a busy and fantastic week! Our Kindergarten and 1st graders enjoyed a wonderful trip to Anderson Farms while our 3rd and 4th graders engaged in some meaningful learning at Dinosaur Ridge!

I wanted to let everyone know that this **Monday 10/17** we will be holding our yearly **Lockdown Drill**. The district security team will be on site to support us in the drill and I anticipate the drill lasting about 15-20 minutes. Students will be made aware of the drill on Monday morning and our teachers will be discussing the purpose of these drills. It is important for our students and staff to practice our emergency procedures should we ever need to secure the inside of the building for a Lockdown. Please feel free to contact me with any questions.
