Attendance: Anne DiCola, Liz Mason, Robbie Stone, Cynthia Goodberry, Laurie Trinder, Patty Navarez

Welcome and Agenda:
- Introductions, recorder, time-keeper
- Celebrations

Enrollment Update for 2019/20:
- We are at 253; 40 kindergartners. We have only offered 15 choice spots and we have a wait list. Our goal is 50-52 kindergartners, but we are allowing space for new neighborhood kids. 1st through 5th grades look good, however, 5th is a little small, 37.
- Our budget is at 254, hopefully we will get to 270. We are being cautious with the upper grades. Our goal is 300 in 2 years, 25 per class.
- Anne DiCola met with Ali Lasalle last week.

Next Year PIE Time Change:
- We will have our P.I.E. Committee meeting the same night as the PTA meeting. It will be held from 5:00pm-6:00pm. Hopefully we will have more people participating with this time change.

2 Hour Delay/Late Start & Early Release/Start Times:
- A 2 hour delay was just implemented. This does not affect the dismissal time, we will still dismiss at 3:05 p.m. Staff to get here as safely and as soon as they can.
- Basically there are three task forces. The 2 hour delay started out of Evergreen. The late start/early release's biggest issue is time, planning & testing, etc., maintaining teacher contract. The early release days are already in next year's calendar.

Fees Next Year:
- We would like to up the tech fee to $15.00 for Kindergarten -- 4th. The district is considering giving each 5th grader a chromebook, or they may wait and give at 6th grade to go through middle school. There would be a $50.00 per year usage fee. This would help pay for repairs and software expenses.

Chromebook Policies:
- Everyone has signed the Chromebook Policy. This policy says that the student is responsible for any damages. However, it has been hard to reinforce it. We will also have to revise the policy to add suspension of use.

Meeting adjourned at 4:10 p.m., next meeting is Monday, April 8, 2019.
