

Stober's Birthday Book Club has been a huge success! We are looking forward to continuing that success this year. This club is a way of involving the student body in adding to the library's ever expanding book collection. These birthday celebrations will be grand events and something students and staff will look forward to every year.

Should you choose to participate, this **form and \$18.00** (*the average cost of a new hardcover book*) will be collected between now **and the month prior to the student's birthday**. I will use birthday book funds to purchase brand new fiction, nonfiction, and picture books for the Stober collection. These new books will be put aside for your son/daughter when, during the month of their birthday, they will come to the library to celebrate their special day. During the birthday book club party, students receive a special goodie bag, decorate a bookmark, select their "Birthday Book," and have their picture taken to be placed inside the book they selected. If you wish to have your child participate, but their birthday is:

- a.) in August- they will be part of the September celebration, or
- b.) in June or July- they will be part of the April or May celebration.

If you would like your child to participate, please complete and return the form along with \$18.00 (*cash or check payable to Stober Elementary*) to the library no later than 1 month prior to the student's birthday. As always, thank you for supporting literacy and Stober's library!

Christa Kovach
Digital Teacher Librarian

Student's Name: _____

Birthday month: _____

Teacher: _____ Grade: _____

Enclosed is \$18.00 in cash or check (*payable to Stober Elementary*)
