Message from the Principal

I want to begin by expressing my appreciation and gratitude for this incredible school community, our students, and our tremendous staff. During this time of Thanksgiving, I am able to take time to reflect on all that I am grateful for, and our Stober community is at the top of my list. Thank you all for your continued support of our students and our staff, I am so proud to be a Stallion and am thankful for all that we are able to do to support our children as they develop as learners, thinkers, and positive members of our community. I wish you all a Thanksgiving season filled with great joy, relaxation, and time with loved ones.

We will have one staffing change after Thanksgiving break, Ms. Yager, our Social Worker will be moving on to pursue another job opportunity. We will miss her dearly, but wish her well in her next endeavor. Interviews for our new Social Worker will happen soon and I will communicate once we have our new hire in place. A huge thanks to Ms. Yager for everything she has done to support the social emotional learning of our students over the past year and half!

Stober Stallion Celebration
This year our PBIS (Positive Behavioral Interventions and Supports) team has been working to evolve our Hall of Fame assembly, into its new title-Stober Stallion Celebration. We want to continue to ensure that adjustments to this tradition will guarantee there are available pathways for all students to be recognized for their unique strengths and gifts. Students will continue to be recognized for their demonstration of our Stober Stars values. Students who consistently demonstrate our values of Safety, Teamwork, Achievement, Respect, and Self-control will be celebrated at our assemblies. Assemblies to honor students will occur every trimester and parents of honorees will be invited to join us! Teachers will communicate with invitations to parents of those being recognized each trimester and we will have both a primary and intermediate assembly. In addition to honoring students who demonstrate our school values, we will continue to recognize students in grades 3-6 who have made the honor roll for academic grades every trimester. Here are the dates and details for our Stober Stallion Celebrations.

1st Trimester:  Friday, December 1st
2nd Trimester: Friday, March 9th
3rd Trimester: Thursday, May 17th

Primary (K-2nd Grade) Assembly 1:15
Intermediate (3rd-6th Grade)Assembly 2:00

If your child is being recognized at our 1st trimester Stallion Celebration, you will be receiving notification in Friday folders.
Kindergarten Information Night
On Wednesday November 29th at 6:30pm we will be holding a Kindergarten Information Night for incoming Kindergarteners. Please spread the word and encourage any friends and family with Kindergarteners for next fall to attend. We are looking forward to a great evening and to sharing about our incredible Kindergarten program here at Stober.

Jeffco Generations--The Vision for Jeffco Schools
I wanted to once again share the recently updated vision for Jeffco Schools, entitled Jeffco Generations. This publication, which I encourage you to read, [https://jeffcoadvantagenet.files.wordpress.com/2017/10/jeffco-generations-final.pdf](https://jeffcoadvantagenet.files.wordpress.com/2017/10/jeffco-generations-final.pdf) is an extension of our Jeffco 2020 vision and outlines what we as a district believe is possible for our students as we prepare them for their futures. We have brochures in the main office for anyone who would like some more information. I am incredibly proud of the educational experience here at Stober, we are working with great intention to align student opportunities to the Jeffco Generations.

*Jeffco Generations is the beginning of a conversation about where we go next when it comes to our schools. It is also a call for a community reunion, founded on the belief that those things which tie us together are more powerful and important than those which divide us and nowhere is this truer than when it comes to the positive future we all want for Jeffco’s kids.*

-Dr. Jason Glass, Jeffco Superintendent

Please enjoy a wonderful Thanksgiving break! I will look forward to seeing everyone on Monday, November 28th.

Sincerely,

Anne DiCola, Principal
