Message from the Principal

I want to wish everyone a very happy and healthy 2019! We are off to an incredible start for the new year! As always, I continue to be so honored and proud to serve as your Principal and I am excited about entering the second half of the year and all of the incredible learning and community experiences that lay ahead.

Spelling Bee
Coming up is our 3rd-5th grade Stober Spelling Bee! The Bee will be held in our gym beginning at 1:00pm. The top spellers from our Bee will participate in the Wheat Ridge Area Spelling Bee on February 22nd at 1:00 here at Stober.

Morning Routine Change
As many of you may have noticed, we have slightly shifted our morning routine. On Tuesdays and Thursdays, students will report directly to their classrooms. The purpose of this is to allow for additional time to foster classroom community, engage in Proactive Circles, and connect with their teacher and classmates. To allow us time to continue to connect as a whole-school community, which is always a value we hold dear at Stober, we will continue with our Morning Assembly in the gym on Mondays, Wednesday, Fridays. Students appear to be enjoying the variety in the morning routine and we feel that additional time to build classroom community has been very positive.

Enroll Jeffco
Jeffco Public Schools has rolled out a new student enrollment system for the 2019-20 school year. You should have received information about Enroll Jeffco from the district as well as from us detailing how to enroll here for next year. We will be hosting an open house on January 30th to provide assistance and answer questions regarding the new system. Kandi sent out SignUp Genius through School Messenger if you would like to sign up for a time for help with the new system. As always, please do not hesitate to contact our main office for support with this new process.

As always, it is such an honor and joy to serve as the Principal of this incredible community.

Thank You,

Anne DiCola
